Garnacha 2025

100% Garnacha

Harvest Report 2025

The 2025 vintage will be remembered as one of concentration, expressiveness, and purity. The combination of dry, warm weather, healthy grapes, and our usual high-altitude, long growing season with cool nights has resulted in wines of remarkable balance and complexity.

Vineyard
Lunlunta, Maipú, Mendoza, 920 m / 3,018 ft. Planted in 2015.

Soil Type
Adjacent to the dry riverbed; light gravel, mud, and clay.

Training system
VSP. Manual harvest.

Vinification
20-day fermentation at 16–18°C (61–64°F) in 1,000-liter clay amphorae, using indigenous yeasts. After winter, the wine is naturally clarified through cold stabilization and then bottled. Unoaked.

Aging
In Spanish clay amphorae; unfiltered.

Alcohol: 12.5% vol.

Acidity / pH: 6.4 / 3.25

Winemakers: Alejandro Vigil
