

## Single Vineyard Bonarda El Barranco 2023

100% Bonarda

### Harvest Report

The 2023 wines will be among the most age worthy. After the October and November 2022 spring frosts which provoked a generalized reduction in yields, the climate was very dry with temperatures slightly on the warmer side. Low yields resulted in a harvest 2 to 4 weeks earlier than usual. The wines are quite elegant, with high natural acidity and low alcohols. Powerful minerality and texture are this year's trademarks.

Vineyard  
Junin, 650 m / 2,132 ft

Type of Soil  
Sand and river stones.

Vinification  
Wild yeast, max. temp. 28°C / 82°F for 15 days, followed by a 15-day infusion with minimal movement.
