

Single Vineyard Bonarda El Barranco 2022

100% Bonarda

Harvest Report 2022

2022 was an exceptional year from every possible qualitative standpoint. Throughout Mendoza, both in the Primera Zona (closer to Mendoza city) and in the Uco Valley, the wines have optimal acidity, great concentration and ripeness of polyphenols, and just-right (not too high) alcohol levels.

Alejandro Vigil says: "This is the best year that I have lived through."

Vineyard
Junín, 650 m / 2132 ft

Type of Soil
Sand and river stones.

Vinification
Wild yeast, max. temp. 28°C / 82°F for 15 days, followed by a 15-day infusion with minimal movement.

Aging
